## NP4Yaxham - Newsletter

Issue 12

**Yaxham - one village - one community - one plan**

### The Neighbourhood Plan continues!

At its 20<sup>th</sup> July 2017 meeting the Parish Council agreed. All the councillors present voted in favour of keeping the NP4Yaxham Working Group going to help the Parish Council with implementing the policies; taking forward the action points; dealing with planning applications; monitoring Breckland's 5 year land supply; and securing Yaxham's position in Breckland's emerging Local Plan.

See [www.np4yaxham.com](http://www.np4yaxham.com) for more details of the Yaxham Neighbourhood Plan.

### Lanpro Application, 25 homes north of Norwich Rd - it's back!

We all thought Breckland had rejected this application in March, it is back on due to a technicality. **But now we all have the Yaxham Neighbourhood Plan.** So our Breckland Cllr, Paul Claussen, the Parish Council & the NP4Yaxham Working Group will be going into battle on behalf of the village. What really helps is a good turn-out of residents to show the Planning Committee what Yaxham thinks. We defeated Lanpro last time, recently Mattishall defeated Gladman, and now, with your support, we as a village can defeat Lanpro again!

**Please come to the Breckland Planning Committee meeting to show what you think of this application at 9.30am on Tuesday 29<sup>th</sup> August.**

**Remember, this application is for the first 3 acres of Lanpro's 60 acre site – your village needs you!**
