

# Neighbourhood Plan 4 Yaxham Newsletter

Issue 1

## Have Your Say

Consultation Event, Saturday 14<sup>th</sup> November  
Yaxham Village Hall 10:30am – 1pm

### What is the Neighbourhood Plan 4 Yaxham – NP4Y

The NP4Y will give our community power to create a shared vision for future development in Yaxham. We can influence where new homes are built and what these buildings should look like, and we can say what other facilities we as a village would like developers to provide or contribute towards.

## News Update

At a very successful initial meeting in September, attended by around 75 members of our community, we voted to create a Neighbourhood Plan for Yaxham (NP4Y). A working group has now been formed and has met twice. So far we have identified core tasks and timescales - find out more detail on our webpage at [www.yaxham.com](http://www.yaxham.com)

We have also submitted our application for a Neighbourhood Plan to Breckland District Council. This has been accepted and is currently being publicised.

### What Happens Next?

We are hoping to use the Community Led Plan, created with your support two years ago, as the basis for the NP4Y, but we want to make sure that we focus on the right issues for right now. So we are organising a Village Consultation Event. This aims to capture your views on what is important to you and your family, friends and community in Yaxham and Clint Green.

You will get the chance to have conversations with the working group members and the rest of the village, let us know what you think, and vote on which issues are most important to you. And there will be free tea and cake.
